The process for obtaining a visa requires each individual to submit an application through a Slovenian Embassy or Slovenian Consulate. This is a process that **MUST** be done by the applicant – the organizing committee cannot do it for you! It cannot be emphasized enough to start the application process early. Please note that the application and interview process in your country may very well be in advance of the team selection date, so in many cases, you will need to start the application process prior to confirming your final team. Letter of Invitation – All countries that will need Letter of Invitation by the organization to use in their application process are requested to order these in time. Please fill out the Visa Support / Official Invitation Form as soon as possible and send it in.

As long as the Organizing Committee gets no different information, the Letter of Invitation will be send by fax and/or email.

The Transportation fee includes shuttle between airport/station and official hotels, also between official hotels and the competition field.

The Teams will find the schedules for the shuttle transportation in their official hotels.
