**Re.:EMAU Congress in Jaen - Monday 13 March, 2006**

Dear Presidents,

Some of you asked information about the Congress Hotel in Jaen. I would like to clarify some uncertainties about it.

There is not an Hotel specifically for the delegates who wish to attend the Congress. Everybody can book a room in one of the hotels for the European Indoor Championships as indicated in the Booking Form Hotels, that I send you attached.

Regarding the registration of the delegates, we have not a registrationform as it is not necessary to register before Congress.

The Congress will start at 9.00 o'clock and the registration of the delegates will start at 8.00 o'clock at the Congress Hall. A transport between the Championships-Hotel and the Congress Hall is available for the congress participants.

In a few days you'll receive together with the documents for the Congress, the Proxy Form. This document must be handed over upon registration. A delegate can only carry one proxy of an other Member Association.

Best regards

Marinella Piscioti  
Secretary General
