## **PRELIMINARY AND FINAL REGISTRATION**

No entry forms will be available for registering in this event.

The registration process has to be done using the WA Online Registration System (WAREOS, V.2) (<http://register.worldarchery.org/>)

A maximum number of 6 athletes per country are allowed to be registered into each category of the event (the host country is allowed to register 8 archers).

Preliminary entries have to be done using the WAREOS, V.2:

In order to be able to use WAREOS, please enter this address in your web browser (<http://register.worldarchery.org/>) and use the Username and Password that WA has assigned to each Member Association. After entering the WAREOS, please go to "Online Registration" and register your archers for this event.

A "WAREOS User Manual" can be downloaded in PDF (English and Russian) from the same website. For any question or doubts regarding the use of WAREOS, please contact Mr. Matteo Pisani email: [matteo@pisani.eu](mailto:matteo@pisani.eu).

Starting date for online-registration with WAREOS is:	11 march2015
End of Preliminary registration with WAREOS is:	15 april2015
End of Final registration with WAREOS is:	15 june2015

Please pay attention to the stated deadlines. After passing the deadlines, MAs will be able to enter or update their data in WAREOS, but late fees will automatically apply.

Getting close to the event, in order to finalize detailed schedule and start working on the accreditation process, the system will be blocked. After that moment, if any MA would like to change or proceed with the Final Registrations process or change their Final entry, it is required to contact Mr. Matteo Pisani at email: [matteo@pisani.eu](mailto:matteo@pisani.eu) with a copy to Organizing Committee email [office@frta.ro](mailto:office@frta.ro)

Final registration that will differ for more than **2** archers according to preliminary registration will have a penalty fee of **€100** to be paid to the OC at the moment of arriving at the event.

Teams that enter after **15 June 2015** will pay a penalty of €100 per athlete to be paid to the OC on arrival for the tournament.

Only after having paid the penalty fees to the OC, a Member Association can register the athletes in order to participate at the competition.

A Member Association which made entries in WAREOS and does not participate will be invoiced for the number of entries entered in the system, unless the MA inform WAE and the OC to email [office@frta.ro](mailto:office@frta.ro) before 15<sup>th</sup> June 2015, that they are not be able to participate.

Since entries are through the WAREOS only, Member Associations declare that their athletes and officials are aware of the participation waiver and anti doping agreement. We recommend Member Associations to advise their athletes on this matter. However, accepting the conditions of the athlete participation waiver and the anti doping are eligible to participate in the event.

Only Member Associations in good standing will be eligible to compete. This also means that any penalty fee for 2014 and/or 2015 World Archery fee will have to be paid prior to this Grand Prix.

The process for obtaining a visa requires each individual to submit an application through a Romanian Embassy or Romanian Consulate. This is a process that **MUST** be done by the applicant – the Organizing Committee cannot do it for you. It cannot be emphasized enough to start the application process early. Please note that the application and interview process in your country may very well be in advance of the team selection date, so in many cases, you will need to start the application process prior to confirming your final team.

Visa Invitation Letter – All countries that will need letter of invitation by the Organizing Committee to use it in their application process are requested to order these in time. Please fill out the Visa Invitation Letter Form as soon as possible and send it in.

As long as the Organizing Committee gets no different information, the Invitation Letter will be sent by email. If an express service should be desired, this service will be charged to the MA and must be paid to the Organizing Committee upon arrival.

If our help is needed you may contact us immediately: [frtirarc.rou@gmail.com](mailto:frtirarc.rou@gmail.com) / [office@frta.ro](mailto:office@frta.ro) / [contact@romanian-archery.ro](mailto:contact@romanian-archery.ro) no later than **20<sup>th</sup> of June 2015**, for we could send an official invitation over to the Romanian Embassy or Consulate for further cooperation.

**INFORMATION ABOUT BUCHAREST**

Bucharest is the primary entry point into Romania. Bucharest is a booming city with many large infrastructure projects changing the old face of the city. Known in the past as "The Little Paris," Bucharest has changed a lot lately, and today it has become a very interesting mix of old and new that has little to do with its initial reputation. Finding a 300 year old church near a steel-and-glass building that both sit next to a communist style building is commonplace in Bucharest. Bucharest offers some excellent attractions, and has, in recent years, cultivated a sophisticated, trendy, and modern sensibility that many have come to expect from a European capital. Those who knew Bucharest in the past but have not visited it after 2010 will be surprised by the scale of the changes that are taking place. Ambitious projects are quite common in Bucharest. The largest project finished at this time is the impressive Basarab Bridge, which is Europe's widest cable-stayed bridge.

Bucharest has landmark buildings and monuments, like the Palace of the Parliament - the largest building in Europe and the second-largest in the world. Other important landmarks are: The Triumphal Arch - modeled after the Arc de Triomphe in Paris, The Romanian Athenaeum, The CEC Palace etc.
