EUROPEAN YOUTH CUP 2015

2nd and final leg, ROME – ITALY

Version 1 – 11 July 2015

3.5. Equipment Inspection

Equipment inspection will be run following the program of the official practice. Each team will be called (in the English alphabetical order) and invited by the announcer to the dedicated place for the Equipment inspection on the competition field. Also all spare equipment must be brought to the equipment inspection.

All team members (archers and officials) should wear their team uniforms.

The correct spelling of athlete's names, as well as the correct date of birth in the archers' list will be checked during the accreditation.

The start numbers will be given at the warm up on the day of the competition (it will be distributed on the shooting line, in front of each archer's position). When receiving the registration numbers, we would like each Team Manager to double check that each archer has the correct "athlete number".

There are some late arrivals of teams; however we will try to publish the start list before the start of the Official practice, so archers can practice on their assigned targets.

There is no access to the Competition field for the Official practice before the accreditation is done.

3.6. Qualification Round & Information on scoring

Teams will find target assignments in the mail boxes at the venue.

Shooting in qualifications will be conducted with 4 archers per target in AB-CD format.

For the qualification rounds, no faces will be changed after the practice arrows. Please instruct the archers to mark the arrow holes during practice.

The athletes will have double scoring from qualification round till individual bronze medal matches and the same is for team and mixed team competition: one electronic and one on paper scorecard. For each target, one athlete will enter the score on the paper score sheet; another athlete will make the electronic scoring.

All the athletes on the same target must verify that the correct scores are entered.

Please instruct your athletes to fill in properly the scorecards including total score, 10's and X's and sign the card before handing them back after each round.

In case of tied score on positions 8 when we have more than 32 archers in the category or on the position 16 for teams, a shoot off will be arranged at the last distance shot (1 arrow closest to the centre). Neutral targets will be used.

- Individuals: 1 arrow closest to the centre.
- Teams: 1 arrow each archer, all shooting at the same time (40 seconds). For Recurve 1 target face will be used while for Compound 3 target faces will be used per team (1 arrow per target face) and each archer will decide which target face to use.
- Mixed teams: 1 arrow each archer, all shooting at the same time (40 seconds), 1 or 2 target faces will be used per team (1 arrow per target face for compound) and each archer will decide which target face to use.
