Seminar for WAE Technical Delegates 5-8 June in Porec (CRO)

World Archery EUROPE is pleased to inform that we are organizing a Seminar for WAE Technical Delegates from 5th to 8th June 2020.

The Seminar is addressed to candidates from WAE Member Associations, who are interested in acting as Technical Delegates at WAE events. After the examination, the status of WAE Technical Delegates will be assigned.

The title assignment is referred to the Seminar session in which the participants take the exam. The attendees can register to one or both Seminar sessions, according to the specific interest and complete both the examinations.

Registration for a specific session, or for the whole Seminar, requires the submission of the request form, which will be published later on. Registrations must be done through MAs and each MA can register have the maximum number of 3 participants.

Only participants, who successfully complete the examinations, will be recognized as WAE TDs and might be appointed at WAE events.

To attend the Seminar, participants must comply with the deadlines, which will be published in the next future, and fill out the registration form specifying the Seminar session in which they intend to take the exam (or both the sessions and examinations).

The Seminar will take place in Porec (CRO) at the eve of the 2020 Grand Prix, and will be organized into two groups as it follows:
